

Specifications hereunto annexed and to furnish for and construct the same of such kinds and qualities of materials as are therein described and that the manner of work and style of finish shall in all respects be done agreeably to said specifications and plan. And it is mutually agreed by the parties hereto that all questions as to the kind and quality of materials furnished for said building and the manner style and character of the work thereon shall be submitted to William T. Metcalf of Mendon and that he shall be sole judge of the materials and workmanship in and about said building as to whether or not they are in accordance with the plan and specifications hereto annexed and that his determination in those matters shall be final in every respect.

In consideration whereof the said Joseph R. Wheelock doth for himself his executors and administrators covenant and promise to and with the said Stephen C. Taft his executors and assigns well and truly to pay or cause to be paid to the said Stephen C. Taft his executors administrators or assigns the sum of thirty two hundred and fifty dollars in full for the said materials and work when the same shall be completely finished. To the true and faithful performance of all and singular the several articles and agreements aforesaid each of the said parties binds himself his heirs executors administrators and assigns in the penal sum of two thousand dollars firmly by these presents.

In witness whereof we have hereunto set our hands and seals the day and year first above written.

J. R. Wheelock read

Specifications of materials to be provided and labor to be performed in erecting and completely finishing a frame building proposed to be erected in the Town of Mendon for Mr. Joseph R. Wheelock.

General Description.

The building is to have a basement on one side and entire end occupying about two thirds of the width of the cellar and to be three stories high exclusive of the basement to have an attic with loft over attic. The finish
