MOVING DAY — It was moving day in Mendon yesterday, but this time house and all went along, complete with fireplace and chimney. Known as the "Hal Holly" house, the structure was moved from next to the Jesse White Marine Sales Co. to a plot at the corner of Route 16 and Taft avenue. It took less than 10 minutes to drive the 1500 feet. The move will make way for an addition to the White sales room. (Daily News Photo)
